

The whole Worm: allow **at least 3 hours** there and back

Leave extra time — the causeway can close early, sometimes by an hour

NCI Worms Head Lookout Station

FREE • NO SIGN-UP

Crossing to the Worm?

Put our free causeway timer on your phone before you set out.

SCAN WITH YOUR CAMERA

Safe crossing times

See when the causeway opens, and count down to when you must head back.

Works with no signal

Once added, it runs on your phone's own clock — even out on the Worm.

Turn-back reminder

An alert sounds when it's time to start walking back.
